

Preliminary Notes to the Financial Statements

The fiscal year end of the Ktaqamkuk Mi'kmaq Alliance is March 31st each year and the public accounting firm E & M Bookkeeping Ltd. has prepared the financial statements of the band for the past several years.

In keeping with the KMA elected council's commitment of being open and transparent, we are posting our financial statements for the fiscal year ended March 31, 2005 on our web site for the benefit of our members who wish to review them. We will also post future years' financial statements on our site.

We encourage our members to review this financial data and ask any questions you may have concerning the information presented. In doing so, there are several important points to consider.

1. The KMA does not now receive, nor has it ever received any funding from government for its operating expenses.
2. The KMA chief and council is managing the affairs of the band on a totally voluntary basis and does not and has not received any kind of compensation for their services.
3. The Statement of Receipts and Disbursements shows an amount of \$30,005.74 for membership fees. A portion of this total includes some of the annual renewal fees paid by our members. However, a large amount remains owing because the majority of members have not paid their 2004 renewal fee and the 2005 renewal fee is due by December 31, 2005.

We will soon be announcing the opening of an Aboriginal Reintegration and Community Development Center in Stephenville. Even though the center will not be staffed we hope to be able to provide some services to our members. Also, the entire KMA administration will be consolidated in our Stephenville office as well. Until then, we will continue to operate from our homes. We therefore encourage our members to forward all outstanding renewal fees as soon as possible so that we may offer more extensive services to both our resident and non-resident members.

On behalf of our members we thank you for your continued support.

Sincerely,

Bert Alexander, P.Hrc.
